# President's Message

**Dr. H.L. VERMA**  
President

It gives me immense pleasure to write this message for the Alumni Magazine 'JU Alma Konnect', the third edition of which is going to be launched shortly on the occasion of the next Alumni Meet of the University.

Alumni are an asset for any academic institution and their growth brings a sense of pride and satisfaction among various stakeholders including teachers, staff and parents. We, at Jagan Nath University, always wish for the well-being and professional growth of our alumni and would strive for regular interactions with them.

Our Alumni Association is a registered body. This Magazine provides a common platform to get published our view through articles, experience-sharing write-ups and start-up stories. I congratulate the Editorial Team members and contributors for bringing out the third edition of the magazine.

Jagan Nath University has been established with a vision to develop it as a Centre of Excellence of higher education with focus on quality education, skill development, industry integration and holistic eco-system for global competencies among youth and we are continuously working for academic expansions and diversification on both horizontal and vertical dimensions.

While taking a number of initiatives towards up-gradation of the academic system as per the requirements of new economy and recommendations of NEP-2020, the University has some landmark achievements during the last year which include University accreditation by **NAAC with 'A' Grade** and accreditation of **B.Sc. (Hons.) Agriculture** program by **ICAR** for a period of five years. The University has evolved a comprehensive academic system which incorporates the latest guidelines of NEP-2020 including CBCS, outcome based curriculum, skill development courses, industry partnerships, holistic eco-system, research and extension activities with focus on promoting quality higher education and employability among students. The main focus of our academic system is to provide right type of education and prepare students to deal with the challenges of modern organizations which are characterized by complexity, diversity and change in economy.

We understand that the alumni are the brand ambassadors of an institution. Their association helps academic institution to perform better and achieve its objectives effectively. They motivate current students by guiding them towards right careers and help University in achieving higher goals. This magazine is of immense value in furthering connections between the alumni and the alma mater. While wishing our alumni a successful professional career, I would urge upon them to remain connected with the University and actively participate in its developmental activities by sharing their expertise and experiences in relevant areas.

## MESSAGE FROM THE DESK

**Prof. Vaishali Sharma**  
Pro-President & Director IQAC

Dear Alumni,

It gives me immense pleasure to connect with all of you through this newsletter, a testament to the continuing bond we share with our alumni community. As custodians of our institution's legacy, your achievements and contributions vibrate profoundly with us.

Reflecting on our journey, I am proud to witness the impact our alumni have made across various fields, embodying the values of excellence and leadership & ethics instilled during your time here. Your successes in academia, industry, public service and beyond serve as an inspiration to current students and faculty alike.

I invite you to stay connected with us, not only to celebrate your achievements but also to contribute to the growth of the alma mater. Your insights, mentorship, and support play a crucial role in shaping the future of your own university. Your continued involvement enriches the foundation of our institution and strengthens our collective pursuit of knowledge and innovation.

As we look forward, I am excited about the future possibilities and collaborations that await us. Together, we can continue to uphold the spirit of our Jagannath University, Jaipur and make meaningful contributions to society.

Thank you for your ongoing support and dedication. I eagerly anticipate hearing about your accomplishments and staying connected with each one of you.

# Registrar's Message

**Mr. Tanmay Pattanayak**  
Registrar

Dear Alumni,

It is with great pleasure that I welcome you to the third volume of the University Aluminium Magazine Alma Konnect-III. This publication continues to serve as a vital platform for sharing innovative research, industry insights, and the latest advancements in the field of aluminium. Primarily this reflects the accomplishments of our alumni.

Our university remains committed to fostering a culture of excellence and innovation. The contributions in this volume reflect the dedication and hard work of our alumni, faculty, and industry partners. From groundbreaking research articles to thought-provoking opinion pieces, each page of this magazine is a testament to the vibrant academic and professional community we are proud to be a part of.

I would like to extend my heartfelt gratitude to all the contributors, editors, and the entire editorial team for their unwavering commitment to producing a publication of such high quality. Your efforts ensure that our magazine not only informs but also inspires.

As we continue to explore the endless possibilities of aluminium, I encourage all readers to engage with the content, share your feedback, and contribute to future editions. Together, we can drive forward the frontiers of knowledge and innovation in this dynamic field.

Thank you for your continued support.

## Dean's Message

**Prof. (Dr.) Renu Bagoria**  
(Dean, Alumni)

It is a pleasure to see you all here on this very auspicious day from time to time. I feel highly grateful to welcome you all back into this abode of education where you spent significant years of your life. As a Dean, Alumni of Jagannath University, I feel very emotional as I think back to the days when you all used to regularly come here for your studies. It is not always easy to return to places to which we are emotionally attached. However, it is equally overwhelming to return and get a very happy flashback of the golden days spent. I remember how your batch used to be the most happening and equally talented. I cannot remember a single day when any of you failed to entertain the entire college with your never-ending charm. As I stand here and look back, I only see smiles and loads of memories that are injected into the hearts of this institution. Your departure marked a very sad day in history, for it was like a piece of the soul of this place was leaving, It is still the same way. Your return has filled this space with the sunshine of happiness. The staff here has been observing your startling successes and it ignites them with unmatched happiness. We are all proud of you for every value you stand for and how you are shaping this society into something so much better on a daily basis.

You can always approach me or other Alumni Cell Members for any kind of support, guidance or even any kind of Suggestions or Innovative ideas you have .

I welcome you all once again. I hope you have the time of your life today!

## INTERACTION WITH THE ALUMNI

**Mr. Ankush Sharma**  
**B.Tech-EE**  
**Batch - 2012-2016**

**Probationary Officer – PO, Indian Bank**

Ø **Please tell us about your experience at the University.**

Life at Jagannath University was nothing less than a roller coaster ride, full of ups and downs one can imagine. But throughout the journey I have learned a lot. It has provided me with some great opportunities that have helped me improve myself in every aspect as a student, as a senior, as a friend, as a sports person, as a leader and most importantly as professional. Jagannath university has helped me sharpen my skills in my field of choice by providing fully equipped labs where I could practice and learn. Apart from this being a part of the student panel helped me improve my management skills along with my technical skills. All in all, I had a great learning experience and have learned some very important lessons in life that will help me grow in the future as well.

Ø **What do you think of campus and the extracurricular activities?**

The University has a wider campus and I believe it is one of the best campuses in the pink city and keep involving the students in other activities as well other than regular study classes.

Ø **Which is your favourite memory from the University ?**

There are many wonderful memories when I think about the old college days but one memory that always comes to mind when I have completed my engineering and became an engineering graduate.

Ø **What other things in the university helped you grow as a person?**

Positive & disciplined environment helped me a lot to be a better person which hopefully I am today.

Ø **Could you please brief us about your work?**

I am working as a Probationary Officer in the Indian Bank taking care of regular banking activities.

## INTERACTION WITH THE ALUMNI

**Mr. Dilkush Meena**  
**B.Ed. (Department of Education)**  
**Batch - 2019-2021**

### Ø **How about your Journey at the University ?**

The Institute gave me a lot more than I expected. I learned, laughed, cried and experienced the most beautiful things over there and I still cherish those memories and lessons. I am grateful that I have completed my bachelor's degree from Jagannath University. I must say it was my best decision so far, to choose this University. Like every other B.A.-passing student, I was kind of upset because my school life has now come to an end. But as I said it was a new beginning and slowly I realized that. New place, new faces and I was a little bit scared but excited at the same time And that's how my journey at Jagannath University began. It gives me immense pleasure to share my professional journey with you. I am currently working at the Cooperative Society as Junior Assistant.

### Ø **What is the best thing about being at Jagannath University ?**

It was the best decision to join Jagannath University.

### Ø **Which is your favourite memory from the University ?**

The feeling of independence and maturity was driving me at that time. I was excited to be a part of a bigger institution.

### Ø **What other things in the university helped you grow as a person?**

The University helped and involved us in different areas other than regular study classes such as sports, seminars, etc and always encouraged us to do well in all other areas as well.

## INTERACTION WITH THE ALUMNI

**Mr. Sumit Kumar Saini**  
**B.Tech-CSE**  
**Batch - 2009-2013**

**Technical Principal Consultant – Wipro Australia**

Ø **Please tell us about your experience at the University.**

Journey at JAGANNATH UNIVERSITY was one of the best experiences of my life. The campus has excellent infrastructure and is very beautiful, with a perfect blend of nature. There is something motivational and special about this environment and infrastructure that makes us study and enjoy co-curricular activities. The teaching methodology, lab sessions and course materials are really helpful for students to understand and excel in their subjects. The college and department also serve as a good platform for paper presentations, seminars and other technical and non-technical activities. As a Consultant at Wipro I really thank the university professors for their help & guidance.

Ø **What do you think of campus and the extracurricular activities?**

The University has a good campus, wider class rooms, a neat and clean, sound and peaceful environment and keeps involving the students in other extracurricular activities which is really helpful to do good things in all areas.

Ø **How would you describe your classroom and your facilitators?**

A great College or University will always be recognized by their well qualified and trained staff and we are lucky enough to get the opportunity to study and grow under the guidance of such staff in our college lives.

Ø **What learning would you like to share with the present students?**

Since I got the opportunity today to share my thoughts and experience, I would like to share that please follow the instructions from our facilitators, do the hard work in your classes, but at the same time keep evolving yourself in other areas as well such as sports, seminars, discussions etc.

Ø **Could you please brief us about your work?**

I am working as a Principal Consultant at Wipro where I am designing the system, helping and mentoring the team members on the technical front, having various technical discussions internally or externally with client technical teams, etc.

## INTERACTION WITH THE ALUMNI

**Ms. Bhavna Jain**  
**B.Ed (Department of Education)**  
**Batch – 2019-2021**

**Teacher – Subodh Group of Education**

### Ø **How was your learning experience at the university ?**

Sky has no limits, so do I, and this I learned while studying at Jagannath University Jaipur. I completed my B.Ed from Jagannath University in 2021. After graduation with science I always wanted to become a teacher, so I opted for the B.Ed course and with counseling I got Jagannath University as my college. And over time, I developed a sense of pride that I was a student at Jagannath University. Today I'm working with Subodh Group of Education, as a Teacher, and in teaching I realized that everything taught to me at Jagannath University was practically usable and highly professional. Classrooms and the environment of the university are good and faculties are well equipped with knowledge and experience. Jagannath University offers a variety of courses with all kinds of financial support and aid. Teaching methodology is well developed and quite interesting here. I'm thankful for all the contributions I received from Jagannath University and other people.

### Ø **How did the university prepare you for your career?**

Since joining the university, I have experienced the positivity, result-oriented approach, and focus on each individual student. Motivation, mentoring, guidance & problem - solving approach by well versed faculties helped me a lot to prepare myself to find the better opportunity and do well in my career.

### Ø **Which is your favourite memory from University ?**

There are many unforgettable memories that I have in my mind from the time I joined the university, I met good people who became the best friends for my whole life and I also got excellent support from some of the faculties, even today when I wanted to discuss something and many more.

### Ø **Could you please brief us about your work?**

As I mentioned, I am working as a Teacher at “Subodh Group of Education Here I am taking the regular classes on different subjects & always trying to motivate the students and with each passing day I am getting the different experience and getting better day by day.

## INTERACTION WITH THE ALUMNI

**Mr. Bhupendra Pal Jadaun**  
**M.Tech-ME**  
**Batch - 2017-2019**

**Assistant LocoPilot - Indian Railways**

Ø **Please brief us about your work.**

My name is Bhupendra Pal Jadaun and presently I am serving as "ASSISTANT LOCO PILOT" in the Indian Railways. I have pursued my master's in production engineering from Jagannath University. I was preparing for my job with a running job during my master's and I needed to manage all the things which took a lot of effort and patience. Here I learned how the entire system of "Indian Railways" works, and learning how to run the trains and what precautions you need to follow in different situations.

Ø **How was your learning exposure at the University ?**

Faculty at Jagannath University helped me achieve my success along with degree completion. I specifically want to thank Rakesh sir and Avinash sir for motivating and guiding me during my hard time.

Ø **What other things at JaganNath University helped you grow as a person ?**

While studying at the University, I got different exposures not only in study but in other areas as well such as conducting seminars on different, ongoing and trending technologies and motivate students to prepare and demonstrate the presentations, open culture, helping each other, removing all kinds of fears, and most importantly behave like a human being.

Ø **What advice do you have if anybody wants to take admission in this University?**

I always recommend all the students take admission and enjoy their college time with your study classes. You will get personal attention from each faculty member who will certainly help you, and you will not get this experience anywhere else.

## INTERACTION WITH THE ALUMNI

**Deepak Swami**  
**B. Tech-ME**  
**Batch - 2013-2017**

### Ø Please help us understand your work and time spent at the university.

College is the bridge between childhood and adulthood. The transition is an opportunity for us to reflect on the person we were in high school, and the adult we want to become. If you quietly sat in the back of every class in high school, use your college experience to become more outgoing! If you wish you'd studied more in high school, college is an opportunity for you to hit the books harder.

I was that high school student. The one that committed to their dream university the second they were accepted. I visited about three other colleges but none of them stood out to me like Jagannath University did, it was love at first sight. Of course, later on down the line, I eventually researched the academic aspect of Jagannath because what really sold me was its social atmosphere. I joined Jagannath University in August 2013 and I had the feeling that I was going to fulfil my dreams here. But I was a little bit scared because I didn't have much confidence in my ability to communicate with faculty members. But very soon, they became like a family. I was new to this college but all faculty members, office staff and supporting staff never made me realise this, and due to this cooperation, I was able to complete my graduation with a good academic record.

### Ø How was your learning exposure at the University ?

Faculty at Jagannath University helped me achieve my success along with degree completion. I specifically want to thank Rakesh sir and Avinash sir for motivating and guiding me during my hard time.

### Ø How would you describe your classroom and your facilitators?

I always admired the faculty of my university, how they used to compose themselves in dire situations so I aspired to build my career in the education field with great guidance and support from the university, I finally got my desired job. I am and always will be thankful to the university for building and structuring my career.

### Ø “A dream college is a picture of your goals. It is like your future photo album”.

- Deepak Swami

## INTERACTION WITH THE ALUMNI

**Mr. Ummed Singh  
(Gold Medalist)  
B.Tech-ME  
Batch-2017-2021**

### Ø How was your experience while studying here at the University?

I've completed my Bachelor's of Technology from Jagannath University, Jaipur. I am very glad to say that I am an Alumni of this university. I always feel that the four years I spent here were the most memorable days of my life. Those days helped me improve myself personally and technically. The successes and failures that I faced here are always there to remind me about college. The support given by the staff was really helpful. I would like to see that this institute keeps encouraging young talents to achieve their dreams.

### Ø How was your learning exposure at the University ?

Faculty at Jagannath University helped me achieve my success along with degree completion. I specifically want to thank Rakesh sir and Avinash sir for motivating and guiding me during my hard time.

### Ø What advice do you have if anybody wants to take admission in this university?

Whoever comes into my touch and inquires about the university for admission, I have only one statement for all of them: "Go and Join the University, you will not be disappointed". There are various reasons for the above statement like excellent campus, wider class rooms, well versed, trained & experienced faculties, positive and growth oriented approach, grooming of each individuals & last but not least campus placement.

### Ø What other things at the university helped you grow as a person?

Here I learned the key mantra of life: "Never Give Up", fight for the dreams, try your level best & do the hard work in the right direction and you will reach the destination certainly. This is still helping me a lot whenever I go through tough times personally & professionally.

# SUCCESS STORIES

**Mr. Lokesh Sharma**  
**D.Pharm**  
**Batch - 2019-2021**

## **Medical Representative - Stan Qualish Health Care Pvt. Ltd.**

I am Lokesh kumar Sharma completed my diploma in pharmacy from Jagannath University in session 2019–21. The university is just like a family, with the opportunity to build lifelong friendships with people from different cultures and places. When I completed my course Diploma in Pharmacy, I was confused about taking any decision, but I got help not only from the principal sir but also from all teachers to get a particular line or how we can come in the market at what position I can stable. First, sir says that you do your best working out in training time or apply for vacancies in companies. At that time, I dropped out of one company, then applied to an ISO-certified Russian company, and was selected in STAN QUALISH HEALTH CARE PVT LTD for the position of Medical Representative in Orthopaedic departments with a package of 3.6 lacs rupees per year with additive charges from March 2022.

I am very happy and thankful to the principal, Sir, and all the teaching staff of the department of pharmacy at Jagannath University for their valuable support in making my future bright.

**Mr. Rishi Ranjan**  
**MBA**  
**Batch - 2019-2021**

I am Rishi Ranjan an alumni of one the prestigious university. I have pursued my masters in HR and Marketing. I have started my journey in this university back in 2019 and completed my masters in 2021. I feel elated and quite honored to share my overall experience. The journey has been amazing where every day was full of opportunities and something new to learn. It gave my ample opportunities and times to grow both personally and professionally. We have been given regular seminars, quizzes, webinars to enhance our knowledge and skills.

The emphasis on sports along with education always helped me a lot. I have always found a positive and healthy environment and the faculties are highly educated, supportive and they were always ready to mentor and guide us whenever we need them the post.

Jagannath University, Jaipur Helping me to achieve our Dreams and also during my Academics, got a 11 internship opportunities where I gain practical learning experience and acquire the knowledge for a better individual & I feel proud to share that I Got placed in More than 12 Companies. I am highly thankful to JNU for providing me with an opportunity. It has added a number of values to my life.

## SUCCESS STORIES

**Mr. Sandeep Mishra**  
**Advocate**  
**Batch - 2019-2021**

Hello, I am Sandeep Mishra, working as an independent advocate, running my own legal office at Lajpat Nagar-III, New Delhi, and as panel counsel for the Delhi State Legal Services Authority under the control of the Delhi High Court. Primarily dealing with matters before the Honourable Supreme Court, the Honourable Delhi High Court, the Honourable National Green Tribunal, the Delhi District Court, and other tribunals. Having good experience with criminal cases, NI Act cases, environmental cases, service matters, matrimonial disputes, etc. In my whole journey to becoming a lawyer, my parents, friends, family, and most importantly, my college played an important role. The support of our respected teachers was admirable. The optimistic environment of our college life always motivated us to walk on the right path and enlightened us towards our journey through life. My goal is to give the best performance in the field of law and also to seek justice for the needy and poor who are not able to afford legal services due to a lack of money. The only suggestion I would like to give to law students is to have a vision of helping people seek justice, and in achieving that, the teachers and university will always guide you on the right path.

**Mr. Abhishek Kumar Choudhary**  
**MBA**  
**Batch - 2019-2021**

It gives me immense pride to affiliate with Jagannath University. I owe my success and professional accomplishments to the strong value system and professionals serving at the university. There is no exaggeration to say that it's one of the finest cradles of academic excellence, world-class infrastructure, and diversified professional institutes under one umbrella. I convey my heartfelt gratitude and best wishes to the Jagannath University fraternity.

# ALUMNI EXPERIENCES

**Mr. Abhishek Verma**  
**BBA**  
**Batch - 2018-2021**

As I walk across the empty hall I look back, count my steps in this college, my sanctuary. I have walked this path many times but it's different every day. With each step, each sound.... I have here a memory, a laugh, a cry, a part of myself. As I open the door, I pause for a moment, and I think to myself.... I'm going to start a new, a fresh, another begging. I feel so proud to be a part of **Jagannath University**.

**Mr. Vishal Jangir**  
**BBA**  
**Batch - 2018-2021**

My graduation at Jagannath University has been a very interesting and awesome journey. Choosing JU was one of the best decisions I have ever made. At This College I gained friendship and experiences which added a different perspective to my life. It feels great to be taught by amazing teachers who are the best. They always motivated and encouraged me to face the risks and learn new things. I am and will always be thankful to Jagannath University for making me a person I am today.

**Ms. Varsha Pareek**  
**BBA**  
**Batch - 2018-2021**

It gives me immense pride to affiliate with Jagannath University. I owe my success and professional accomplishments to the strong value system and professionals serving at the university. There is no exaggeration to say that it's one of the finest cradles of academic excellence, world-class infrastructure, and diversified professional institutes under one umbrella. I convey my heartfelt gratitude and best wishes to the Jagannath University fraternity.

# ALUMNI EXPERIENCES

**Mr. Sasil Sharma**  
**BBA**  
**Batch - 2018-2021**

My name is Sasil Sharma, I am from Tamil Nadu. I came to college as I have genuine interest in the business so started BBA as a undergraduate from Jagannath University, it was a good experience for me as I visited multiple industry, Somewhere I feel lucky that even when the lockdown was there I was allowed with online classes along with session for various business competition, more or less, I got support from my teachers and they were supportive, Thank you so much for giving me this much.

**Ms. Neha Gurjar**  
**MBA**  
**Batch - 2018-2020**

Jagannath University is much beyond just a “university”...It actually denotes a “Culture”...Culture of excellence, empowerment, and enrichment. Being a “Management student” at Jagannath University make me feel proud. It was a wonderful experience at Jagannath with an excellent exposure provided across the various platforms. The faculty is very supportive and encourages students to push boundaries to rise above expectations. I got infinite love & lessons from my teachers, there teachers made me do “Work Hard” for the way to success. Just want to thank to the wonderful faculty of Management....

The management Department has helped me throughout the course in providing projects, and helped me to identify my area of interest and helped me to work towards it. Jagannath University has molded me to become a future executive and I'm sure it's really a boon to all M.B.A aspirants.

**Mr. Ankit Sharma**  
**MBA**  
**Batch - 2018-2020**

Jagannath University has helped me in excelling in each and every field. No doubt it was a great experience where I came across various new opportunities.

## ALUMNI EXPERIENCES

**Ms. Heena Khera**  
**MBA**  
**Batch 2018-2020**

My experience was very amazing in Jagannath University. Faculties were very supportive. I have learned many good lessons during my MBA in university Placement facilities are very good in university for Management students.

As I say about my success I am working as core HR head in Cybdeer Network Pvt Ltd with Decent package as placed through campus drive.

I Cherish the memories, I look forward to keep in touch always while I am away Jagannath University has provided me a wonderful environment and opportunity to learn and grow my academically as well as to secure a place with corporate I would like to appreciate all the efforts of my teachers that is done for the development of students

**Ms. Yashika Sharma**  
**MBA**  
**Batch 2018-2020**

Opting Jagannath University was one of the best decision. This university offers a complete growth of an individual. I feel obliged to be a part of such unique family. All my faculties helped me in growing professionally and I landed with a job opportunity in one the best organizations.

**Mr. Parikshit Upadhyay**  
**B.Ed (Department of Education)**  
**Batch 2019-2021**

College is an important part of one's life. It builds the character of the individual. College comes during a crucial phase of life where you are full of confidence and energy and want to spend yourself on something great, but at the same time, you are expected to be more responsible and mature, and you need to make choices about your future. A good college channels the energy of its young students by providing a healthy, nourishing environment. For me, this is precisely what Jagannath University did. I have always enjoyed studying in a group where you can teach your fellow student and gets to learn at the same time. I wanted to become a teacher and enrolled at Jagannath University to get a B. Ed. Degree. I used to think of it as a boring degree which I must get to become a teacher. But this team of highly experienced and skilled professors changed mine towards the importance of B.Ed. I realised that it's not just the knowledge of the subject that is important but also how to deliver it to students with different grasping power. The structure of the course here at Jagannath university, along with interactive sessions, project works, discussions, and seminars, has filled me with confidence to explain topics in many different ways according to the listener. The management here is also very active in making this college a memorable experience for students by conducting activities related to sports, art and many fields, providing an excellent way to build the stage confidence and reduce the so-called crowd-phobia.

Now that I look back on my two years journey of B.Ed in this college, I can relate to the famous dialogue from Amir khan in "3 idiots" movie that padhana kya h wo hame pata h, but padhate kaise h ye hame Jagannath university s sikhne ko mila, and that is the aim of my degree. I am sure the other degree programs here are equally exciting and memorable.

Thank you, Jagannath university, for 2 years of unforgettable moments.

**Mr. Monis Khan**  
**B.Tech- EE**  
**Batch - 2019-2021**

I am **Monis Khan**, I am working as a Technology Consultant in the **Ministry of Chemicals & Fertilizers Government of India**. During my Master's degree at Jagannath University I learned many things which helped me out a lot in my career. I learned many technical aspects including research work in the field of electrical engineering specially related to power systems.

I learned at how to work in team, I learned at how to perform better under pressure, I learned at how to achieve targets within given time limits. All are possible due to the friendly atmosphere of the university and the facilities provided to us.

I am thankful to my faculties and the management to groom my career skills.
